Client obligations

7. The **Client** must ensure that **RSK Raw** is fully briefed and provided with all necessary documentation and equipment to be able to perform the **Work** as detailed in the **Proposal**. In accordance with the Construction Design and Management Regulations ("CDM"), the **Client** shall provide all existing information, including any health and safety files, hazardous materials information including asbestos surveys, service location drawings and contact details for all other companies involved with the project, especially the 'Principal Designer' and 'Principal Contractor'. The **Client** will retain the roles of 'Principal Designer' and 'Principal Contractor' unless notified to, and agreed by **RSK Raw**, in writing.
8. The **Client** shall ensure that all information, documentation and materials provided to **RSK Raw** are complete and accurate in all material respects and the **Client** acknowledges that **RSK Raw** shall rely upon any, and all information provided by the **Client**.
9. The **Client** will give written requests to **RSK Raw** for any variations or additional instructions. **RSK Raw** will confirm in writing as soon as practicable any variation to the cost and programme for delivery of the **Work** arising from variations or additional instructions requested by the **Client**. **RSK Raw** will not materially alter the scope of the **Work** without the written agreement of the **Client**.
10. To the extent (if any) which **RSK Raw** is required to act as agent for the **Client** during the proper performance of the **Work**, the **Client** shall indemnify **RSK Raw** against all claims in respect of, or arising out of, such agency except where and to the extent that the loss or damage claimed, results from **RSK Raw's** negligence.
11. The **Client** shall permit **RSK Raw** to undertake a credit assessment following acceptance of the **Proposal** and vary the payment terms, should the result be insufficient for the payment sums required. In certain circumstances, payment may be required before commencement of the **Work**.
12. Where there is more than one **Client**, each **Client** shall be jointly and severally liable for the **Client** obligations, including but not limited to payment of the **Fee**, under the **Contract**.

Remuneration and payment

13. When consultancy services are included in the **Proposal**, the fees charged will cover all consultant time spent on the project, whether at the premises of the **Client** or elsewhere, including travelling. Unless otherwise stated in the **Proposal** or agreed in writing with the **Client**, disbursements and out-of-pocket expenses will be charged at cost plus a 10% handling charge.
14. The **Client** will be responsible for paying all the relevant taxes, including VAT or equivalent where applicable. Any amount expressed as payable to **RSK Raw** under the **Contract** is exclusive of VAT, unless stated otherwise. Where payments are made by credit card a card transaction fee of up to 2.50% will be added to any sums due. We are unable to show the transaction fee on invoices due to accounting practices applicable to the billing method used by credit card operators.

15. The **Fee** shall be calculated and paid in instalments in accordance with the **Proposal**. If not set out in the **Proposal**, the **Fee** shall be invoiced at intervals of not more than one month, beginning no more than one month after **RSK Raw** begins performing the **Work**. The **Fee** will be a reasonable assessment of the Work performed and not conditional on any milestone or receipt of a **Deliverable**.
16. Where the Proposal includes any **RSK Raw** standard rates for services or works such rates shall be subject to review on the 1 April annually.
17. **RSK Raw** will forward an invoice to the **Client** for each instalment of the **Fee**. The invoice will specify the sum that **RSK Raw** considers will become due on the **Payment Due Date** and the basis on which that sum is calculated. The "**Payment Due Date**" is the date of issue of the invoice and will be the tax point date. The invoice will constitute the "**Payee Notice**" and the invoice value shall be the "**Notified Sum**". The final date for payment ("**Final Payment Date**") will be 28 calendar days after the **Payment Due Date**. If the **Client** fails to pay an amount due to **RSK Raw** by the **Final Payment Date** and fails to give a **Pay Less Notice**, interest shall be added to the unpaid amount from the **Final Payment Date** until the actual date of payment, which will be calculated on a daily basis at the annual rate of 12% over the annual base rate of the Bank of England or at the statutory interest rate, whichever is the greater. Compensation for late payment of each debt will also be due at the following fixed sums £40 (for debts up to £999.99), £70 (for debts £1,000–£9,999.99) or £100 (for debts over £10,000) in accordance with the Late Payment of Commercial Debts Regulations 2013 or as stated in any revisions of these regulations. Except as expressly, or by necessary implication, provided otherwise in these **Conditions** (and in particular conditions 13 and 14) or in the **Proposal**, the payment procedure under Part II of the **Scheme** shall be deemed incorporated into this **Contract**, even if the **Contract** is not a "construction contract" for the purposes of the **Act**.
18. Unless the **Client** has served a **Pay Less Notice**, it shall pay the **Notified Sum** on or before the **Final Payment Date**. Not less than 14 days before the **Final Payment Date**, the **Payer** may give to the **Payee** notice of the **Payer's** intention to pay less than the **Notified Sum** ("**Pay Less Notice**"). A **Pay Less Notice** must specify the sum the **Payer** considers to be due on the date the **Pay Less Notice** is served and the basis on which that sum is calculated.
19. If the **Client** fails to pay in full a **Notified Sum** by the **Final Payment Date** and the **Client** has not given a **Pay Less Notice**, **RSK Raw** has the right (without prejudice to any other right or remedy) to suspend performance of all or part of the **Work** by giving not less than seven days' notice to the **Client** of its intention to do so and stating the ground(s) on which it intends to suspend performance ("**Notice of Suspension**"). Performance will be resumed when the **Notified Sum** (together with any interest payable thereon) has been received. **RSK Raw** shall be entitled to claim payment of its reasonable costs and expenses in accordance with Section 112(3A) of the **Act** and the provisions of Section 112(4) of the **Act** shall apply to any relevant time limits for the performance of the **Work**. No liability will be accepted by **RSK Raw** for any loss, damage or consequential loss, delay or disruption, however suffered, by virtue of the suspension of the **Work** in accordance with this **Condition**.

Material default and termination

20. The **Client** may notify **RSK Raw** of a material default at any time during the **Work**. **RSK Raw** shall, within 30 days of receiving written notification, investigate the complaint, determine if a material default has occurred and agree any remedy with the **Client**.
21. **RSK Raw** may terminate the **Work** in the event of a material default by the **Client**. The material default must have continued without remedy for seven days after written notification by **RSK Raw**.
22. In the event of a material default by the **Client**, the **Client** will be liable for fees up to the date of termination. An additional charge will be made by agreement with the **Client** as compensation for the recovery of costs for the demobilisation, reassignment of personnel and equipment, and any associated loss of profit.
23. On termination of the **Contract** for any reason, the accrued rights and liabilities of the parties as at termination and the continuation of any provision expressly stated to survive or implicitly surviving termination shall not be affected.

Dispute resolution

24. Subject to either party's right to adjudicate a **Dispute** at any time, the parties shall use their reasonable endeavours to resolve any **Dispute** through negotiation or mediation, and the **Dispute** will be referred to the managing director in the case of **RSK Raw**, and, in the case of the **Client**, the managing director or equivalent of the relevant division of the **Client**, who will attempt to resolve the **Dispute** within 28 days of the **Dispute** being referred to them.
25. Notwithstanding any other provision in the **Contract**, either **RSK Raw** or the **Client** may, by giving to the other a **Notice of Adjudication**, refer a **Dispute** to adjudication at any time under Part 1 of the **Scheme**, and such Part 1 shall take effect as if it were incorporated into this **Condition**. The adjudicator will be a member of the Construction Industry Council ("**CIC**") selected by the parties or, if they are unable to agree within 7 days of the **Notice of Adjudication** or their selected person is unable or unwilling to act, by nomination by the **CIC**. The Adjudication will follow the 'Users Guide to Adjudication' published by **CIC** in 2017.

Sub-contracting

26. **RSK Raw** will be entitled to subcontract any part of the **Work** to another consultant, adviser or contractor (the subcontractor). **RSK Raw** will remain responsible for the performance of any services performed by the subcontractor.

Confidentiality and data protection

27. The details of the **Proposal** and any supporting information shall remain confidential and not be shared with any third party. During the **Work**, **RSK Raw** shall not publish any articles, photographs or other illustrations relating to the project without the written agreement of the **Client**. The **Client** shall not use any trade name or logo of **RSK Raw** or of any of the **RSK** group

companies, nor shall the **Client** disclose to any third party, the involvement of **RSK Raw** without the prior written consent of **RSK Raw**, unless legally required to do so.

28. All information provided to **RSK Raw** by a client and not already in the public domain will remain confidential unless the **Client** authorises its release in writing to specifically named parties in conjunction with assignments, collateral warranties or requirements of a regulatory body.
29. Where **RSK Raw** or the **Client** receives any personal data as defined by the General Data Protection Regulations 2018, (“**GDPR**”) they both shall ensure that they fully comply with the provisions of the **GDPR** and only deal with the data to fulfil their obligations under the **Contract**.

Copyright and ownership of documents

30. Any document prepared for the **Client**, on acceptance, can be used under licence by the **Client** solely for the purposes of the **Work** (“**Permitted Purpose**”). Unrestricted reproduction and use for the **Permitted Purpose** are granted to the **Client** but copyright of all documents and drawings remains with **RSK Raw**. Without prejudice to the generality of this Condition, **RSK Raw** accepts no liability for claims from third parties to whom the **Client** has made known document contents. The **Client** will indemnify **RSK Raw** against any such claims arising from such third parties.
31. **RSK Raw** shall not be liable for the use of a **Deliverable** for any purpose other than that for which they were provided.
32. **RSK Raw** will retain all intellectual property rights and proprietary rights it may have in all information and data reproduced in any **Deliverable**.

Assignment and third parties

33. The **Client** shall not without the prior written consent of **RSK Raw** assign, transfer, charge, mortgage, subcontract or deal in any other manner with all or any of its rights or obligations under the **Contract**. Without prejudice to the foregoing, if the **Client** requests **RSK Raw** to consent to an assignment of some or all of the **Client**'s rights, the **Client** acknowledges that **RSK Raw** is free to give or withhold on reasonable grounds its consent, and that **RSK Raw** shall be entitled to charge an additional fee, if not specifically identified in the **Proposal**, for such assignment or for any change of **Client** details.
34. Benefits to third parties through collateral warranties or letters of reliance shall not be provided unless a fee for each warranty or letter is agreed in the **Proposal**. The form of wording used in the warranty or letter shall be provided by **RSK Raw** for agreement by the **Client**. Any reasonable changes to the form of wording will be implemented by mutual agreement, however the terms in the warranty or letter cannot offer the third party any greater benefit than the **Proposal** offers to the **Client**.
35. Nothing in this **Contract** confers or purports to confer on any third party any benefit or any right to enforce any term of this **Contract** under the Contracts (Rights of Third Parties) Act 1999.

Waste

36. **RSK Raw** will hold any hazardous substances or wastes, including samples and contaminated equipment, arising from the **Work** as agent for the **Client**, whose property such materials will remain. **RSK Raw** will make all reasonable efforts to assist the **Client** with the safe handling and disposal of such material; however, the **Client** will be responsible for this disposal and all associated costs if not included in the **Proposal**.

Force majeure

37. **RSK Raw** will not be liable to the **Client** if the provision of the **Work** is delayed or prevented by force majeure, meaning any one or more circumstance beyond the reasonable control of **RSK Raw**, including, but not restricted to, a failure of the **Client** to provide facilities, access or information; acts or omissions of the **Client**'s other suppliers or contractors; fire, flood or storm; unavailability of labour, materials or services; process shutdown; breakdown of plant or machinery; acts of God or the public enemy; riot or civil commotion or war; malicious damage; strikes or labour disputes or industrial action; act or regulations of any government or other agency; failure of a utility service, communications network, or transport network; and the presence of unusually high levels of ionising radiation or radioactive substances.
38. If force majeure continues for more than 90 days, either **RSK Raw** or the **Client** may terminate the **Work** by notice to the other. **RSK Raw** will be entitled to charge the **Client** for work done prior to the force majeure on the basis provided in the **Contract**. Work done and reasonable and proper fees and disbursements accruing during the force majeure event will be charged at the standard rates for **RSK Raw**, unless agreed otherwise in writing.

Notices

39. Any notice to be given under the **Contract** must be in writing and shall be delivered by hand or sent by pre-paid first class (or airmail) post or recorded delivery post to the business address of the party, as stated in the **Contract** or as otherwise last notified in writing by the other party. A notice delivered by hand is deemed to have been received when delivered (or if delivery is not in business hours, 9.00 am on the first business day following delivery). A notice sent by post will be deemed to have been received on the next business day following that on which the notice was posted to an address in the United Kingdom and after five days in the case of an overseas letter sent by air mail.

RSK Raw personnel

40. The **Client** agrees not to solicit, either directly or indirectly (including by way of head hunter, employment agency, press advertisement or through related companies), any employee of **RSK Raw** for the purpose of offering them full-time, part-time, temporary or contract employment of any kind. In the event the **Client** offers employment to any member of staff at **RSK Raw** and that employee chooses to leave **RSK Raw** because of the offer received, the **Client** agrees to pay to **RSK Raw** a sum which

is the greater of £50,000 or 20% of the total employment cost of that member of staff. This condition shall remain in full force both during and for a period of six months after the end of the most recent contract with the **Client** and applies to all **RSK Raw** staff whether involved in contracts with the **Client** or not. Upon receipt of the employee's resignation, **RSK Raw** will issue an invoice to the **Client** and that invoice will be due and payable upon receipt.

General

41. If any provision in these **Conditions** is or becomes invalid, illegal or unenforceable in any respect, the remaining parts will remain in force and will not in any way be impaired.
42. The **Contract** and any **Dispute** will be governed by and construed in accordance with English law and the parties irrevocably agree that the English Courts shall have exclusive jurisdiction to settle any **Dispute** (subject to the parties having first attempted resolution under conditions 24 and/or 25, if relevant).
43. No variation of the **Contract** or these **Conditions** or of any of the documents referred to in them shall be valid unless it is in writing and signed by or on behalf of each of the parties.
44. The **Contract** constitutes the whole agreement between the parties and supersedes all previous agreements between the parties relating to its subject matter. Each party acknowledges that, in entering into the **Contract**, it has not relied on and shall have no right or remedy in respect of any statement, representation, assurance or warranty (whether made negligently or innocently) that is not set out in this **Contract**.
45. A waiver of any right under the **Contract** is only effective if it is in writing and it applies only to the circumstances for which it is given. No failure or delay by a party in exercising any right or remedy under the **Contract** or by law shall constitute a waiver of that (or any other) right or remedy, nor preclude or restrict its further exercise. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that (or any other) right or remedy. Unless specifically provided otherwise, rights arising under the **Contract** are cumulative and do not exclude rights provided by law.
